

NEW YORK STATE PAIN SOCIETY 2014 EXHIBITORS

(Alphabetical Roster)

ACLs is a provider of diagnostic laboratory testing, information and services that enable physicians and other health-care professionals to make decisions to improve health. Clinical laboratory testing is an essential element in the delivery of health care services. Physicians use laboratory tests to assist in the detection, diagnosis, evaluation, monitoring and treatment of diseases and other medical conditions. We have combined the best available science, methods and technology to provide the next generation in clinical drug testing.

AIS is a compounding pharmacy specializing in intrathecal pump medications. We offer several unique programs such as direct billing of patients' insurances. In addition, we maintain USP 797 compliance and use an independent, third party FDA registered lab to perform testing on our products for potency, pyrogen, pH, and sterility. Visit: www.advancedinfusionsolutions.com

For over 20+ years, Aegis® has remained one of the most trusted drug testing laboratories for pain management, forensics and sports organizations throughout the U.S. With Aegis® you have access to: testing in oral fluid, urine and/or blood; consultation with 16 PhD/5 PharmD experts; and the highest quality client service in the industry. Visit: www.aegislabs.com
